“November is chill, frosted mornings with a silver sun rising behind the trees, red cardinals at the feeders, and squirrels running scallops along the tops of the gray stone walls.” ~ Jean Hersey

“In November, the smell of food is different. It is an orange smell. A squash and pumpkin smell. It tastes like cinnamon and can fill up a house in the morning, can pull everyone from bed in a fog. Food is better in November than any other time of the year.” ~ Cynthia Rylant
